*Natural Organic Solutions*

**AVISON** – Enhancer for STRONG GROWTH & AN OPTIMAL CROP

---

## **PELLETISED COMPOSTED CHICKEN MANURE**

### **BENEFITS INCLUDE**

- Contains a balanced range of natural macro & micro elements
- Slow release organic nitrogen
- Weed and pathogen free
- Easy handling and application
- Better water holding capacity
- Stimulate microbial activity
- Improves organic content of soil
- Soil conditioner

### **General recommendation:**

Small grain and pastures 250 – 350 kg / Ha  
Established trees / vines 1000 – 1500 kg/Ha  
Vegetables 500 – 1000 kg/Ha  
(kg / Ha ÷ 10 = g/m<sup>2</sup>)

Always apply according to soil analysis and plant vigour.

### **Product Analysis (Average)**

Nitrogen (N)	30g/Kg
Phosphorous (P)	14g/Kg
Potassium (K)	32g/Kg
Magnesium (Mg)	8g/Kg
Manganese (Mn)	676mg/Kg
Iron (Fe)	1919mg/Kg
Copper (Cu)	91mg/Kg
Zinc (Zn)	562mg/Kg
Boron (B)	83mg/Kg
Ash	257g/Kg
Moisture	129g/Kg
Sulphur (S)	85g/Kg
